

# DID YOU KNOW?

Over 100 prominent Rabbonim have given a Psak Halacha that each family **including those who are new to the area** should contribute \$500 to the Mikvah.

Yeshuos have been witnessed in all areas — children, refuohs, parnassa, shidduchim, shalom bayis and more. The bracha lives on.

Just one of the many Yeshuos...

An unsolicited note was received at the MORC office. The following message was accompanied by a request that it be publicized.

“For years we endured the pain and heartbreak of childlessness. Then we realized that we had never paid the \$500 obligatory Mikvah building fee. We promptly pledged and — ומיד נושענו — we were immediately zoche to a ישועה without medical intervention!
